Your Immigrant Visa and Alien Registration Application (Form DS-260) was sent to the National Visa Center (NVC) for review. **However, NVC will not review your Form DS-260 until they have received the required financial and civil documents that you must also submit.** If you have not sent NVC those items, please do so now. Next Steps

All Diversity Visa applicants must:

1. Obtain required supporting civil documents.
2. Obtain photographs that meet the Department of State's visa requirements.
3. Review the information specific to the U.S. Embassy/Consulate General where your visa interview will occur.

You do not need to submit any documentation to the Kentucky Consular Center. The KCC will review your application and will notify you if any of the information you have provided is insufficient or incomplete. Your DS-260 application will be kept on file with KCC until a visa number is available for you and your case can be scheduled. When your case is scheduled, the KCC will send you an email message directing you to log into the Entrant Status Check (ESC) website for further instructions.

If you would like to change your interview location, you must contact the Kentucky Consular Center by sending an e-mail to (KCCDV@state.gov) before your interview is scheduled. Your e-mail must include your name and case number, and must clearly indicate where you would like to be interviewed. Please note that once you have an appointment, you must contact the consular section where you have been scheduled in order to request a change. It may not be possible to change the location of your interview after you have been scheduled.

CONFIDENTIALITY STATEMENT: The information asked for on this form is requested pursuant to Section 222 of the Immigration and Nationality Act. Section 222(f) provides that the records of the Department of State and of diplomatic and consular offices of the United States pertaining to the issuance and refusal of visas or permits to enter the United States shall be considered confidential and shall be used only for the formulation, amendment, administration, or enforcement of the immigration, nationality, and other laws of the United States. Certified copies of such records may be made available to a court provided the court certifies that the information contained in such records is needed in a case pending before the court. The U.S. Department of State uses the facts you provide on this form primarily to determine your classification and eligibility for a U.S. immigrant visa. The information provided may also be released to federal agencies for law enforcement, counterterrorism and homeland security purposes; to Congress and courts within their sphere of jurisdiction; and to other federal agencies who may need the information to administer or enforce U.S. laws.
